CREANZA
IMAGINATION IS EVERYTHING

Rooted in nature, refined in aesthetics

Inspired by the strength of forest landscapes, this collection brings a warm, soothing touch of nature into your modern interiors. It captures the look and soul of real wood, and every grain evokes a sense of calm and connection. Let nature become part of your dream space and watch its organic beauty gracefully adorn your personal oasis.

Envision your space as a soulful narrative with foresta

The Foresta Collection is inspired by the colors of deep forests and the intricate textures of timber, subtly adding depth and warmth to any space. This collection invites you to celebrate the serenity of nature, seamlessly blending its essence with modern artistry in finely crafted tiles. These tiles not only elevate your oasis but also create an inviting aura with their refined aesthetics and a touch of the forest. Through the Foresta Collection, Creanza seeks to keep you connected to nature, bringing its tranquility and benefits to your doorstep.

The collection is available in a range of textures and colors, offering you the authentic look and feel of real wood. So, brace yourself to explore something truly inspiring and timeless. Let the collection bring its serenity and elevated aesthetics to every corner of your space.

About Us

In an industry where some sellers focus on innovation, the other few choose to concentrate on variety. CREANZA has adopted a holistic strategy of encompassing all the attributes of the product. CREANZA epitomizes consumer-first approach with an enduring combination of innovation, unique variety and quality.

Since its inception in 2011, CREANZA tiles, based at Morbi in Gujarat, is one of the pioneer and dominant manufacturers cum exporters of premium glazed vitrified tiles. CREANZA has state-of-the-art manufacturing facility with latest technology machinery imported from Italy, Spain and China. At CREANZA, we

believe in providing superior quality and services, further strengthening our relationship with consumers.

In tandem with an increasing demand of vitrified tiles, we have an installed capacity of 55,000 sq.m./day of GVT, PGVT, WALL TILES and Double Charge tiles spread across a humongous 65 acres land. We have collaborated with the largest Italian conglomerate, Sacmi for its press technology and installed System digital printing machine, which helps us yield innovative tiles with stunning designs and excellent quality. We constantly emphasize on new product development catering the dynamic and unique taste of our consumers.

Touch the texture, feel the tranquility

The Foresta Collection features an exquisite matte carving finish that showcases a realistic wooden appeal with a touch of refinement. The precisely carved and textured tiles create depth and subtle embossing, offering a unique tactile and sensory experience. The finish is so sleek and innovative that every step or touch brings you closer to nature. Additionally, the textured surface enhances grip and provides practical benefits. Bring these tiles into your room and embrace a serene, forest-like ambiance.

*Bring nature to life through textures
and subtle minimalism.*

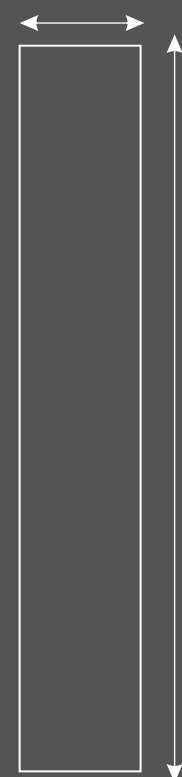

Enjoy wood's warmth without the worry.

*Immerse yourself in the luxury that feels
as good as it looks.*

A fusion of designs where every detail speaks of nature's poetry

Explore a spectrum of wood-inspired colors and textures designed to suit every aesthetic. From rich, deep tones to soft, earthy hues, each shade reflects the essence of natural timber. Add depth and realism to your space with these finely carved masterpieces.

Size :
200x1200mm

Thickness :
9mm

The Foresta Collection features an elongated plank-like dimension that beautifully replicates the look of natural wood, creating a visually enhancing and expansive effect. Whether used for flooring or accent walls, its size ensures smooth and sleek installation, bringing warmth to interiors and exteriors. The 9mm thickness offers durability and resilience, making it suitable for high-traffic and crowded areas. Experience tactility in layers with this collection which is a perfect blend of nature's beauty and modern craftsmanship.

Packing Detail

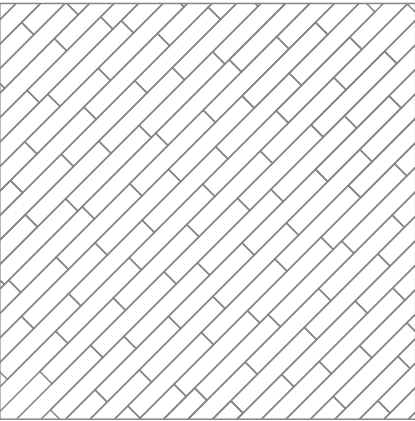

Products	Size	Pcs. / Box	Area / Box
	200x1200mm	6 pcs.	1.44 sq. mtr.

Note: Color shown are as accurate as the limitations of the printing process allows. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserve the right to change the specifications without prior notice. Sometime variations in shade or size being inherent to ceramic industry may occur. Before fixing, we advise you to follow the fixing instructions on the cartons of the tiles as no responsibility can be accepted by the company once the tiles have been fixed.
