ABOUT US

In an industry where some sellers focus on innovation, the other few choose to concentrate on variety. CREANZA has adopted a holistic strategy of encompassing all the attributes of the product. CREANZA epitomizes consumer-first approach with an enduring combination of innovation, unique variety and quality.

Since its inception in 2011, CREANZA tiles, based at Morbi in Gujarat, is one of the pioneer and dominant manufacturers cum exporters of premium glazed vitrified tiles. CREANZA has state-of-the-art manufacturing facility with latest technology machinery imported from Italy, Spain and China. At CREANZA, we believe in providing superior quality and services,

further strengthening our relationship with consumers.

In tandem with an increasing demand of vitrified tiles, we have an installed capacity of 55,000 sq.m./day of GVT, PGVT, WALL TILES and Double Charge tiles spread across a humongous 65 acres land. We have collaborated with the largest Italian conglomerate, Sacmi for its press technology and installed System digital printing machine, which helps us yield innovative tiles with stunning designs and excellent quality. We constantly emphasize on new product development catering the dynamic and unique taste of our consumers.

THE
EVOQ COLLECTION

REIMAGINE
SPACES WITH
NATURAL
**CHARM AND
STRENGTH**

The Evoq Collection features ceramic tiles inspired by the alluring, bountiful, and abundant beauty of nature. These tiles mimic the beauty of sandy deserts and rocky terrains and deliver the best hues in five soothing tones. These tiles capture natural textures, offering rustic punch and plain matt surface, for an enhanced sensory experience. Each piece is manufactured with precision to ensure seamless integration in your spaces and to provide durable aesthetics.

Reinvent spaces
to create a relaxing
vibe for an
effortless,
minimalistic appeal.
