BEYOND
COLLECTION

Let Your Spaces Unfold

Where inspiration meets intention, Beyond was born. From the raw poetry of natural stone to the refined precision of modern architecture.

Each surface of the collection draws from a world where material and imagination coexist.

This collection is an exploration of what lies beyond the familiar, beyond the predictable, and towards a future.

Crafting Experiences Beyond The Ordinary!

This collection brings forth something never seen before, an expansive array of surfaces, finishes, and material innovations designed to redefine both tiles and spatial narratives. With Beyond, every surface becomes a statement, every finish a feeling, every space an immersive experience.

Witness Extraordinary

Experience a new frontier of design, innovation, surface detail, and material excellence. Beyond is crafted to define the next era of ceramic expression.

Building A Legacy of Innovation And Excellence

The structure, technology and the entire setup at CREANZA is in sync with the contemporary times. Innovation, Progress, Commitment and Perfection are the four fundamental pillars of the company. Core-values of the CREANZA is a combination Innovation, Quality, Sustainability, Integrity, and Customer-centricity. The people working at CREANZA love to invent and reinvent while exploring new concepts with the help of our state-of-the-art technology and a positive attitude.

The unmatched technical brilliance of our manufacturing units and genuine efforts of the man power has led us to the path of growth and progress. Moving ahead on the bright path of achievements, we are bringing a new thought process for the best results. Ideas for the future!

Our commitment to the environment is equally strong. We recently installed a state-of-the-art solar plant, which significantly reduces our carbon footprint and contributes to our goal of sustainable manufacturing practices. This initiative not only powers our operations but also underscores our dedication to fostering a greener future.

About Creanza

In an industry where some sellers focus on innovation, the other few choose to concentrate on variety. CREANZA has adopted a holistic strategy of encompassing all the attributes of the product. CREANZA epitomizes consumer-first approach with an enduring combination of innovation, unique variety and quality.

Since its inception in 2011, CREANZA tiles, based at Morbi in Gujarat, is one of the pioneer and dominant manufacturers cum exporters of premium glazed vitrified tiles. CREANZA has state-of-the-art manufacturing facility with latest technology machinery imported from Italy, Spain and China.

At CREANZA, we believe in providing superior quality and services, further strengthening our relationship with consumers.

In tandem with an increasing demand of vitrified tiles, we have an installed capacity of 75,000 sq.m./day of GVT, PGVT, and Wall Tiles spread across a humongous 65 acres land. We have collaborated with the largest Italian conglomerate, Sacmi for its press technology and installed System digital printing machine, which helps us yield innovative tiles with stunning designs and excellent quality. We constantly emphasize on new product development catering the dynamic and unique taste of our consumers.

Maximum clarity and uniform mirror effect with exceptional planarity for visual depth and optical precision

LUXURIO

Refined touch. Functional elegance.

Soft matt finish with a pleasant touch, offering durable, contemporary elegance for medium-traffic interiors.

PANACHE

Soft to the touch. Bold to the eye.

Sophisticated, versatile finish with a soft-touch granular option for medium-traffic areas.

CARVING PRO

Brilliant White. Sculpted Excellence.

Superior whiteness combined with precision-crafted carving relief, enhanced by a minimal reflection surface that perfectly balances visual purity and durability.

SOLIDX

Advanced protection, refined touch.

Engineered for heavy use, it turns strength into clarity and durability with exceptional scratch resistance.

Building A Legacy of Innovation

For spaces that deserve nothing less than extraordinary, Creanza introduces a collection that surpasses the limits of ceramics.

Sustainable

Crafted using responsible materials, practices, and processes, offering sustainable surface solutions.

Environmentally Friendly

Manufactured with processes designed to reduce carbon footprint.

Hygienic

Non-porous surfaces prevent bacterial growth, making them ideal for kitchens and food-contact zones.

Long-lasting

Superior raw materials and advanced manufacturing techniques ensure durability and low maintenance.

Fire-resistant

Ideal for kitchens, fireplaces, and areas near heat sources.

Colorfast

Highly resistant bodies prevent color fading, ensuring surfaces stay vibrant and new-looking.

Frost-resistant

Engineered to withstand extreme temperature variations.

Non-absorbent

The dense, vitrified structure ensures extremely low water absorption.

Chemical-resistant

Engineered to withstand exposure to common household and industrial chemicals, ensuring surfaces stay unaffected.

Nature revealed through form,
clouded softness in crosscut,
serene order linear flow in veincut.

Every stone carries a unique story, shaped by the way it's cut. Crosscut reveals soft, organic cloud-like movements, while veincut brings order, depth, and calm through its natural linear flow. In Portland, these cuts don't just clad the surface— they define the architecture itself. Two cuts. Two vision. One Material.
