BUILDING A **LEGACY** OF **INNOVATION** AND **EXCELLENCE**

The structure, technology and the entire setup at CREANZA is in sync with the contemporary times. Innovation, Progress, Commitment and Perfection are the four fundamental pillars here. Our core values come in the form of a perfect combination of Innovation, Quality, Sustainability, and Customer-centricity in equal measures. Each team member here shares our passion for the craft. We love to invent and reinvent surfaces, new measures, and explore ways to better our craft with the help of our state-of-the-art technology and 'can-do' attitude.

The unmatched technical brilliance of our manufacturing units and genuine efforts of the man power has led us to the path of growth and progress. Moving ahead on the bright path of achievements, we are bringing a new thought process for the best results.

Equally passionate about environmental care, we recently installed a state-of-the-art solar plant that helps us significantly reduce our carbon footprint. A thoughtful intention that helps us power our operations in pursuit of a green future.

ABOUT **CREANZA**

In an industry where some sellers focus on innovation, the other few choose to concentrate on variety. CREANZA has adopted a holistic strategy of encompassing all the attributes of the product. CREANZA epitomizes consumer-first approach with an enduring combination of innovation, unique variety and quality.

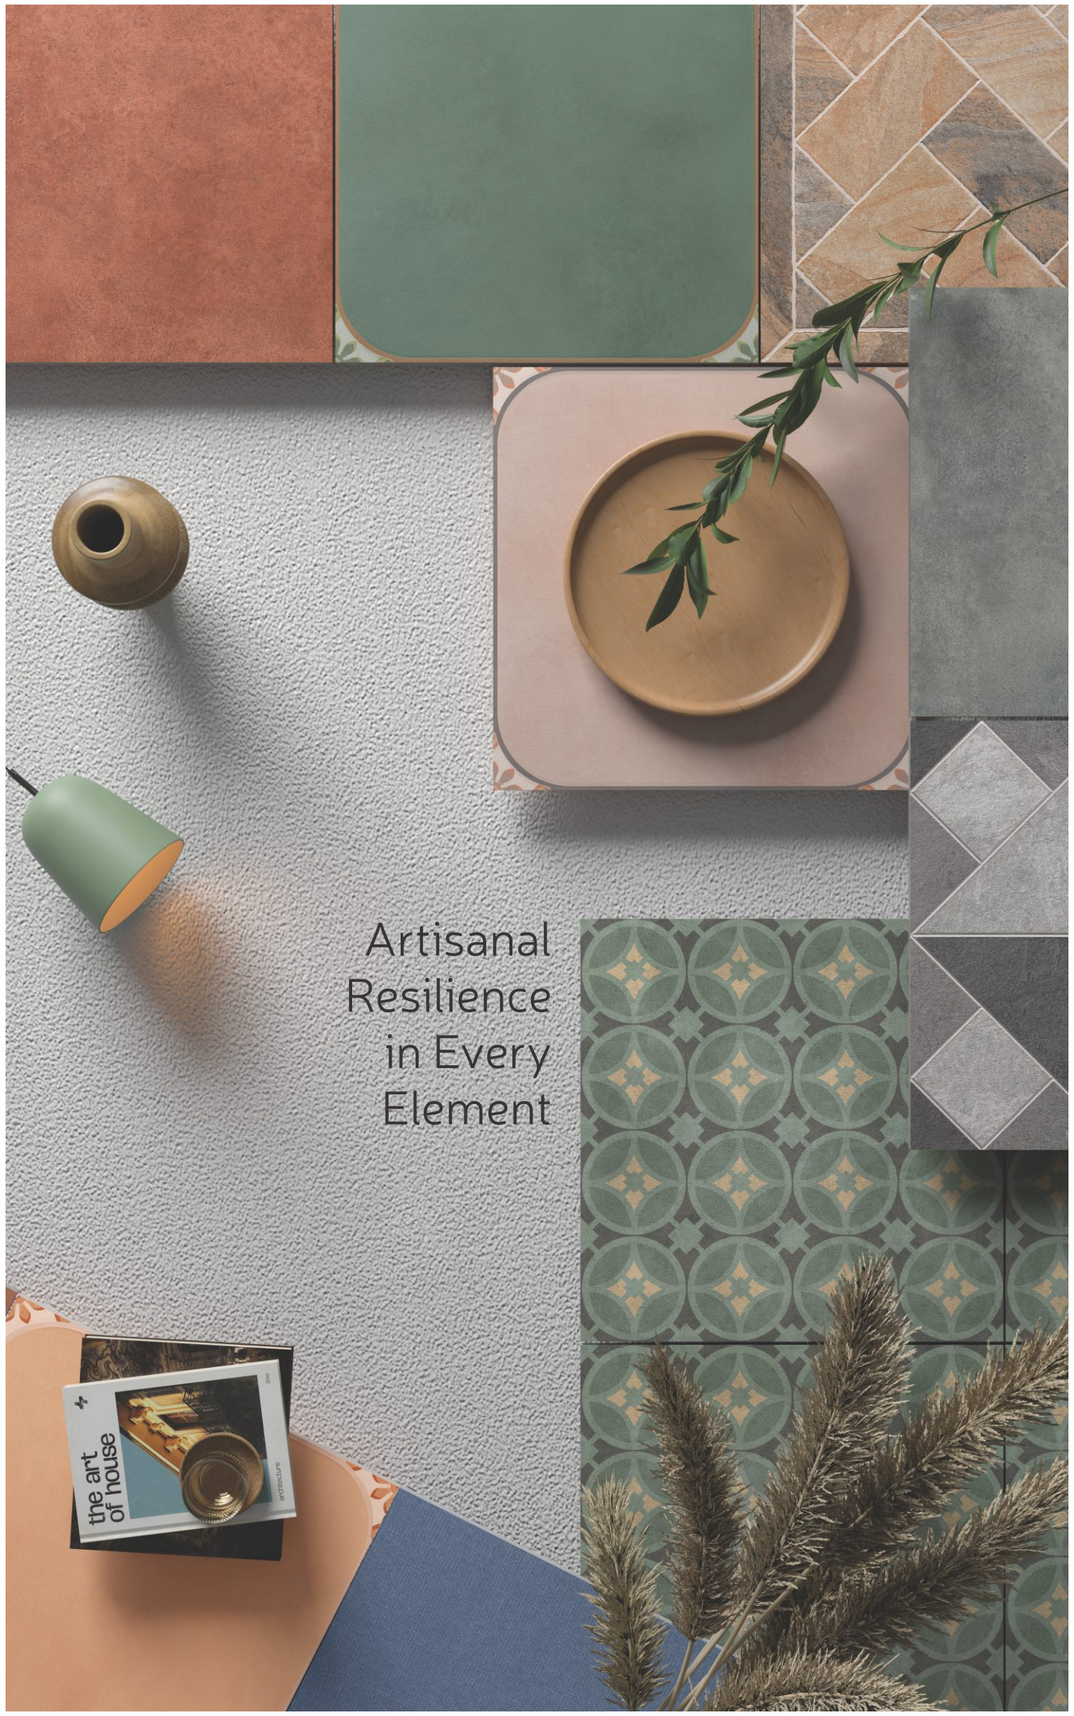

Since its inception in 2011, CREANZA tiles, based at Morbi in Gujarat, is one of the pioneer and dominant manufacturers cum exporters of premium glazed vitrified tiles. CREANZA has state-of-the-art manufacturing facility with latest technology machinery imported from Italy, Spain and China.

At CREANZA, we believe in providing superior quality and services, further strengthening our relationship with consumers.

In tandem with an increasing demand of vitrified tiles, we have an installed capacity of 75,000 sq.m./day of GVT, PGVT, and Wall Tiles spread across a humongous 65 acres land. We have collaborated with the largest Italian conglomerate, Sacmi for its press technology and installed System digital printing machine, which helps us yield innovative tiles with stunning designs and excellent quality. We constantly emphasize on new product development catering to the dynamic and unique tastes of our consumers.

Exteria
COLLECTION

Outdoor elegance that comes through in both form and function.

Exteria Collection is intentional in its existence. Where function comes first, and form finds its creative turn, this collection became tangible affection.

From classical elegance to contemporary indulgences, a starkly refined set of creations that light up the spaces people put last. The glow-up your exteriors seek finds a medium here, effortlessly through us.

This collection spectrum comes in:

400x400mm

12mm Thickness

Finishes:

R10 & Matt

An easily manageable size, this is intentional to make heavy foot-traffic spaces maintenance-free. The thickness provides a resilient, robust foundation to your aesthetic visions for your exteriors. These, paired with the two surfaces we offer, form a choice that feels as familiar as the back of your hand. The R10 & Matt deliver different features but always serve their intended purposes.

Application

These tiles serve a multitude of application areas. From gravel to mortar, from grass installation to elevated floors, or even on sand, these tiles make sure your outdoor spaces stay true to their functions while still being aesthetically sound and efficient at sparking conversations and meeting their intended asks.

Exteria Collection comprises creations that cater to a wide range of sought-after styles, be it minimalist class or chic, subtle sensibilities. Your exterior beautification needs, answered here and how!
